Helping Your Community Hospital

The 30th Annual Southern Maine Health Care Golf Tournament will be held on Thursday September 12th at Dunegrass Golf Club. We are incredibly excited to be celebrating this milestone year of the tournament. To mark the occasion, we are making it our best tournament yet with more food, prizes, player gifts, and our biggest fundraising goal yet - \$100,000! We know with loyal sponsors like you, we can reach our goal and continue to support all that Southern Maine Health Care does for our community.

The tournament provides critical unrestricted funds which support the areas of greatest need in the hospital, as well as new patient care programs and initiatives. Being a tournament sponsor puts your company in front of other area companies, business owners, and potential future customers. You and your staff (or friends) can enjoy a fun day of golf and networking, all while supporting the important cause of helping Southern Maine Health Care pursue our vision and mission of making our communities the healthiest in America. We hope you will join us in sponsoring and playing this year in support of your local community hospital.
