# How You Can Help

There are many ways to make a gift that will support our community health care network.

## Volunteer your Time

Join the nearly 100 volunteers staffing the information desk, working on the parking assistance team, or using their computer skills at Franklin Community Health Network.

## Become a Member of the Franklin Memorial Hospital Auxiliary

The Auxiliary is a vital contributor to the hospital through the proceeds from the gift shop and fundraising activities. The Auxiliary always welcomes new members.

## Create a Lasting Legacy

Ensure that high quality health care remains available in this rural Maine community for generations to come by naming Franklin Memorial Hospital in your will, trust or estate plans. You may choose to contribute through a gift from your estate in a way that will best meet all of your estate goals and objectives.

## Honor and Memorial Tributes

Gifts made to honor or memorialize a loved one are gratefully accepted and acknowledged to the individual or family. The amount of your gift is confidential and may be directed to any area of patient care or to any community program offered by FCHN.

## Contribute to the Annual Fund

You may choose to contribute immediately by writing a check or using your credit card. These gifts will be put to work right away helping those served by Franklin

Community Health Network. When you itemize your taxes your gifts are fully deductible.

## Gifts of Appreciated Securities

When you give a gift of stock to the Franklin Memorial Hospital you don't pay the capital gains tax, and neither do we. When you itemize your deductions, you are also entitled to receive a charitable deduction for the fair market value of the stock at the time that you gave it.
