Gilman Street Work Postponed to July 25, 26

The work that would have closed Gilman Street between Congress and A streets on July 20 and 21 has been postponed until Tuesday, July 25 and Wednesday, July 26.

The work will begin at 7 a.m. Tuesday, July 25, and will involve a crane set-up on Gilman to enable work on the roof of the Malone Family Tower. The section of road will remain closed overnight, and through the day Wednesday, July 26. The road will reopen the evening of Wednesday, July 26.

Signs will be in place to help direct traffic, and flaggers will be deployed, as well. The Gilman Street neighborhood will still be accessible via A Street.
