Weekly Construction Activities, week of 9/5/2022

The Malone Family Tower

- A concrete deck pour is scheduled for Tuesday, Sept. 6, weather permitting, from 7 a.m. – 9 p.m. This operation will not require road closures.
- The exterior curtain wall installation continues. Exterior window frames and glazing are being installed.
- The structure is being waterproofed.
- The steel columns, beams and steel decking for the building are being placed. Over 78 percent of the structural steel has been installed; steel erection completion expected in late September.
- Fireproofing is being installed on the structure.
- Mechanical and electrical infrastructure is being delivered and installed in the building on all levels.
- Steel stud framing, layout and drywall are being installed.
