

Sept. 29, 2022

Weekly Construction Activities, week of 10/3/2022

The Malone Family Tower

- Concrete pours will continue through the week, including a slab pour on Friday, Oct. 7, weather permitting. This operation will not require road closures.
- The exterior curtain wall installation continues. Exterior window frames and glazing are being installed.
- The structure is being fireproofed.
- The steel columns, beams and steel decking for the building are being placed. Over 86 percent of the structural steel has been installed; steel erection completion expected in October.
- Mechanical and electrical infrastructure is being delivered and installed in the building on all levels.
- Steel stud framing, exterior sheathing, layout and drywall are being installed.
